John -

Thanks for meeting this morning - we have a plan - now just to see if it works :-)

You have probably seen my e-mails the last hour or so - I have taken care of most of the admin/planning items we discussed:

- Agenda for tomorrow's meeting
- Following up with team members regarding any additional edits to the domain write-ups for Section 5.1
- Follow-up with Ravi and Jennifer for any changes to the cancer sections (Section 5.2-5.4 or Chapter 6 summaries)

What I need to do next:

Items which I understand you would take care of per our discussion:

I think that is it - I'd best get some lunch and get those edits to you!
take care,
danielle
